Welcome Home

Hello Residents, Families, Staff and Friends,

From our heartwarming vintage car events for the gents at both homes to the many ways we've celebrated the beauty of spring blooms – painting vibrant florals, arranging sweet-scented flowers, making flower pots, and the delivery of a stunning bouquet to celebrate 72 years of marriage – congratulations Betty and Bob. This month has truly been bursting with colour, joy and connection.

Best father's day surprise! Britannia Avenue was lined with the stunning sight of magnificently maintained vintage classics – much to the delight of our gents, some ladies, family members and Rosewood staff. A massive thank you to the proud car owners who came along to mingle, share stories of their timeless vehicles, and offer a glimpse into the passion behind each one. The Rosewood community was buzzing out front, and the beautiful weather added to the cheerful atmosphere, bringing everyone together to celebrate history, craftsmanship, and pride.

The event allowed residents to relive fond memories of the past while connecting generations. Rosewood staff played a key role in creating a warm and joyful atmosphere, helping make this Father's Day one to remember. The vintage cars left a lasting impression, reminding everyone of the beauty of age, community, and shared experiences.

Pat explored and admired the cars, carefully running his hands over the polished surfaces. He still has his own vintage car safely tucked away in his garage.

Families visited their loved ones to enjoy the morning exploring the vintage cars together, with little people also soaking up the sun and excitement in the air.

Friday at Rosie's

The residents look forward to gathering every Friday at Rosie's on the 4th floor, with its stunning city views. There's dancing, singing, a beverage, a tasty bite to eat and very often, there's something fun to celebrate. What's one of your favourite celebrations at Rosie's?

Revving Up Father's Day: Legendary Dads, Legendary Cars

Connecting from West Perth

This Father's Day, a group of our legendary dads hit the road for a memorable outing to the WA Motor Museum at Whiteman Park – and what a day it was! Greeted by beautiful weather and even better company, the group stepped into a world of classic cars, each one sparking stories, memories, and a sense of awe. From polished bonnets to nostalgic memorabilia, the museum walk-through was both fascinating and fun.

Afterwards, it was time to relax and refuel at the Village Café. Over a hearty lunch, conversations flowed, stories were shared, and there were plenty of belly laughs to go around. The mix of sunshine, shared interests, and good humour made it a truly special way to celebrate Father's Day – one the group will remember.

Love That Lasts: Bob and Betty Celebrate their 72nd Wedding Anniversary

Connecting from Leederville
by Stefanie Zielke, Administration Officer

Robert and Elizabeth Brown celebrated their 72nd Wedding Anniversary at Rosewood. Bob and Betty were married on September 5th, 1953, in Ramsgate, Kent, England. They travelled to Bretagne, France for their honeymoon. They had a son, Robert, moved to Perth in 1958, had 2 more children, Ashley and Kinglsey. The couple have been happily married ever since.

We asked Bob what is the secret to a long, happy marriage? He said "Love can mean so many different things. It's important to be comfortable with each other and have respect for one another."

We then asked Bob, 95yo, What's the secret to a long life? Which he said, "It's probably good genes and good luck!".

Thanks for allowing us to share your beautiful and long love story with the Rosewood Community.

Betty and Bob ~ Congratulations on 72 Years of Marriage
